

Gift Books Program

The **Memorial School CSA** is again offering the opportunity for parents and students to give a lasting and meaningful gift to the Memorial School library in honor of someone special to you.

Books will be added to the library in honor of your special person. What a wonderful gift for:

The Holidays

A special teacher!

A birthday!

Commemorate a special event or special person!

The Process is Easy:

- 1) Go to the Memorial School library.
- 2) Select a gift book. A book plate will be added to the book with the name of the person you wish to honor. There are a variety of book titles to choose from. The cost is \$15.00 for a hardcover book.

You will receive a note card to present to your honoree. Your gift book will be put on the library shelves for students to borrow. Both giver and receiver will delight in seeing their name in the front of a library book!

*Call or email the Memorial School Library if you have any questions.
