

Looking for a Teacher Gift to say Thank You

A CSA Teacher Gift Card is perfect!

Our Teachers love Gift Fund cards from their students. It is a unique gift because it enables you to give a teacher a gift of flexibility of additional funds. If you give now we will deposit it immediately so they may utilize the funds to purchase those additional materials they wanted for the class to enjoy before the end of the year!

We will send a card the last week of school to the teachers you have selected. The card has a warm inscription personalized from your child and you, letting them know they have a "Gift".
(The teacher is not notified of the specific amount which is gifted.)

When you wish to donate simply complete the Memorial Gift Fund form and send an envelope titled "CSA Gift Fund" with a check payable to the Memorial CSA, into school with your child. Please indicate on the form how and when you wish to share your personal message with the teacher(s). If your child wants to make their own card instead of us sending a card – no problem!
