Re: Purchasing workbooks
Date: September 28, 2005

Buenos días and bonjour! This letter is to let you know of an option your son or daughter has in French and Spanish to buy the workbook that accompanies our new textbooks. The advantage to this is that most homework assignments will be in the workbook and if you own it, you may write in it! No student is required to purchase a workbook, and if you choose not to buy one, your child may use one provided by the school. However, in recent years, most students and parents are happier with buying this book because the students may write in it, and this seems to help most students!

If you decide that you would like to purchase a workbook, we need to receive a check made out to **Medfield High School** in the amount of **\$12.00** by Friday, October 7. *We are not able to accept cash.*

If you have any questions, please do not hesitate to contact Maura Batts (mbatts@medfield.mec.edu), the Foreign Language Content Specialist, at (508) 359-4367 x1015, or your child's French or Spanish teacher.

We are confident that your child will have a great year in Foreign Language, and we feel that owning the workbook will add to your child's success. Adiós and au revoir!
